### **Menorah Park of CNY Offers Grants for Assisted Living Facility, The Inn**

Menorah Park of Central New York has established a \$110,000 financial assistance program to provide financial aid for eligible older adults to live in its assisted-living facility, The Inn.

Mary Ellen Bloodgood, Menorah Park CEO, said, "We're so pleased to establish this fund that makes The Inn at Menorah Park uniquely responsive to those in the community wishing to move into our assisted-living residence. These funds are available to adults who need the care the Inn can provide but who require financial help. This financial aid will make assisted living available to more residents in our community and is in keeping with the mission at Menorah Park to assure maximum independence and dignity to those in need of the broad range of services we provide.

A fully-licensed assisted living facility, The Inn offers a home-like setting with 51 apartments for older adults needing some personalized care. Resident Care Aids are on site 24/7 and each resident has a Personalized Care Plan to meet medical, comfort and social needs. "Our residents at The Inn know that help is always available when needed, while having all the comforts of home," Bloodgood said.
