

SYRACUSE JEWISH  
FAMILY SERVICE  
AT MENORAH PARK

## Third Seder 2020 Let all who are hungry...

But wait... the usual summons no longer applies. All who are hungry simply **cannot** come and eat this year. Our grandmothers and grandfathers at risk of hunger are now, more than ever, cut off from nourishment – of both body and spirit.

For years, at this time of Passover, you have helped us improve health and reduce food insecurity among our oldest generation. This year, the year of COVID-19, sees a skyrocketing need for in-home meals and human service delivery.

These increasing numbers of hungry, homebound and socially distanced elders can't come to us: won't you help us go to them with food, a friendly check-in, and a message of solidarity from the community who stands behind their wellbeing?

SJFS continues to provide our safety net services such as Kosher Meals on Wheels, and respond to the particular concerns arising out of the viral outbreak. Your generous gift will empower us to keep pace with the need, which has more than doubled in just two weeks. Let's lift a cup to "Next year in Jerusalem!" – and this year ensure we are performing the mitzvah of lovingkindness right here in our own community.

We thank you!
